

## First Grade Summer Reading

All students coming into first grade in the fall will be reading two books over the summer. One book is Biscuit Finds a Friend by Alyssa Satin Capucilli. A test will be given on this book at the end of the first week of school.

The second book is Ten Apples Up on Top! by Dr. Seuss. For this book students will fold a blank paper into four sections. They will draw a picture in each section showing a part of the story they enjoyed. The scenes must be in proper sequence according to the book. Illustrations should have appropriate color. Please label the paper with the child's name and grade. This must be handed in the first week of school.

You can refer to the guidelines included. Happy Summer and Happy Reading!
