

HERNANDO CHRISTIAN ACADEMY

SERVE-A-THON 2010

Once again it's time to have some GOOD – CLEAN- FUN by serving our community. Over 400 volunteers – students, staff, administrators, and parents – and more than 2,000 hours of service will be involved in our 3rd annual *Serve-a-Thon* on April 21st. We will be serving such organizations as the Humane Society, the Coast Guard, the Hernando County Parks Department and many, many more. We will be scraping and painting, weed-pulling and grass-cutting, mopping and cleaning...serving...serving...serving! Ultimately, our students will learn first-hand that *'leaders with Christian character'* are servant-leaders!

We need you to partner with us by sponsoring the above student. As our partner, you will play an important role in this hands-on experience in accomplishing our mission of *Building Leaders with Christian Character* – touching lives now, impacting hearts for the future!

Please take a moment to prayerfully discern how you are most able to support this tremendous event, then detach this portion to return it with your check (made payable to Hernando Christian Academy) or cash in the enclosed envelope. If mailing, thank you for providing your own postage. You may also partner with us via credit card by visiting our website at www.hernandochristian.org.
